

Dear Parents/Carers,

I hope you have all have a lovely half term break. I have really enjoyed teaching the Doves so far and am looking forward to seeing them all next term! 😊

Curriculum Information

Our theme for Terms 2 and 3 is **Civilisations**. This term, we will be exploring the concept of civilisation—what it means, how different civilisations compare, and what makes each unique. We'll first focus on the Romans, learning about their society, mythology, reasons for expansion and the impact they had on Britain. We will then compare this to the Egyptians in term 3.

In **English**, we will read *Weslandia by* Paul Fleischman. It is a story about a boy named Wesley who creates his own unique civilisation in his backyard, discovering independence, creativity and confidence as he builds a world that reflects his imagination and values. We will be completing a range of writing tasks, including retelling part of the story and creating nonfiction reports about the civilisation.

Our second class text (which we will use for our reading lessons) is *The 1000 Year Old Boy* by Ross Welford. If you wanted to/are able to buy a copy of this text to help support your child in class, that would be really beneficial:

The 1,000-year-old Boy by Ross Welford | Waterstones

In **Maths** this term, we will learn about rounding, multiplication and division and area.

P.E

Our PE days are the same – Wednesdays and Thursdays.

Forest School

We will continue to do Forest School this term! It will be on Tuesdays. Please remember that Forest School happens whatever the weather, so please send your child with appropriate clothes that can get wet/dirty in a bag with them. Wellies (or shoes that can get muddy) and coats and long trousers please.

Trip

We will be going on a trip to the **Roman Baths in Bath on Thursday 19th November.** More details to follow but we will be looking for one or two DBS checked parents to join us if anyone is available. They are very tight on adults at the Baths (with each extra adult costing £16!) so I will see what I can do and be in touch.

I look forward to catching up with you all during parent consultations on the 10th and 12th November. Please sign up to these through Arbor once it opens.

Kind regards,

Rosie Beck
